

# ALDBURY CHURCH OF ENGLAND PRIMARY AND NURSERY SCHOOL

## AUTUMN 2ND HALF CURRICULUM FLIER 2024

### CLASS 2

This term, Class 2 will be learning about the Hot and Cold Climates, where they are in the world and how plants, animals and birds adapt to living there.

Our unit focuses on teaching pupils to create sound patterns using applications such as ScratchJr. Pupils will learn how to record audio, program sprites to play back audio, and create repeating rhythms.

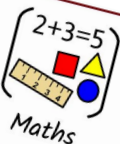

Computing

Our topic is called Musical Aquarium, we will be exploring the terms timbre, pitch, structure through classical music. We will also be learning the songs for our Christmas Production.

Music

We will be learning about place Value and applying this to addition and subtraction - all within numbers 0-100.

Maths

Science

We will continue to explore seasonal changes and will be exploring biodiversity - including living things and their habitat and environments - Where do animals and plants live in order to thrive?

PSHE

We will be celebrating Differences and challenging stereotypes and assumptions. One of the big questions we will be asking is 'What is Equity?'

Art

We will be creating frozen patterns in print and looking at the work of William Morris.

Geography

In Geography we will be looking at hot and cold climates, weather, vegetation, animal and bird life and how things adapt to change. The focus continents are Antarctica vs Africa.

Religious Education

Our big question is: Why is learning to do good deeds so important to Jewish people?

Physical Education

We will be exploring the foundations of hitting, catching and running.

{ABC}  
English

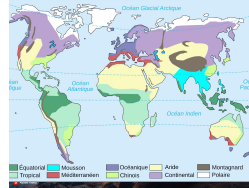

This half term we will be writing leaflets and information texts based around the texts 'Astro girl' and 'Dear Earth'. Our grammar focus will be using punctuation including question marks and exclamation marks. In Phonics, for Year 1, we are continuing looking at alternative graphemes e.g ur for ir.
