

Vardy's Victories Early Years

There are 12 activities.

These can be completed little and often and are fun to do with your family!

Some should be completed daily and some can be repeated- especially if you enjoyed them!

Use your book to show how you have completed the activities and tick it off on the bingo board.

Learn about Easter symbols and make an Easter card.	Make a fruit salad with different fruits.	Paint a picture of your favourite animals.	Play Bingo Make your own bingo boards using numbers to 20.
Use BBC School Radio to follow the dance instructions and make a dance.	Listen to a story tape and draw a picture of what you imagined.	Create a Bug Hotel for your garden.	Write a prayer to read to your class.
Junk Modelling Use different items to make a rainforest animal.	Design a lego model and label it.	Practise Phonics, English, Maths and Science skills on Education City Website.	Create a sock puppet and create a puppet show.
Create a board game using the phonics sounds and tricky words that you know.	Decorate a pebble like an insect.	Listen to Cbeebies Bedtime stories on the website.	Make a den in your living room.
