

Aldbury Christian Values

At Aldbury, we promote a set of Christian Values which we believe will support all of the children we teach to develop and demonstrate skills and attitudes that will enable them to contribute fully to modern life. Values guide our behaviour, helping us make the right choices.

Our teaching of values work hand in hand with our teaching of the British Values and form a basis for collective worship, assemblies and PSHE sessions.

Our Values meet the requirements of the British Values highlighted in the Ofsted inspection framework.

- democracy
- the rule of law
- individual liberty
- mutual respect
- tolerance of those with different faiths and beliefs

The value of the half term will be displayed in the hall and classrooms for reference in collective worship and assemblies.

	Year A	Year B
